

The logo features the word "IMPCT" in a bold, white, sans-serif font. The letters are slightly shadowed, giving them a three-dimensional appearance as if they are floating above the background. The background is a solid green color, divided horizontally into two distinct shades: a lighter, lime green on top and a darker, forest green on the bottom. The text is centered horizontally and straddles the boundary between the two shades.

The logo features the word "IMPCT" in a bold, white, sans-serif font. The letters are positioned above a horizontal line that separates the light green upper background from the darker green lower background. Below the line, a semi-transparent, lighter green reflection of the word "IMPCT" is visible, creating a 3D effect.
